ABSTRACT

For the fall enrollment in 1976, data are given for: (1) campus enrollment summary; (2) new, continuing, and returning students; full- and part-time students; (3) undergraduate enrollment by college, school, or program and class level; (4) major field of study (broken down for new students and total enrollment); (5) undergraduate and graduate students by department; (6) study abroad; (7) residence at time of admission; (8) transfers by type of institution; (9) age; (10) ethnic background by college, school, or program, and by sex; (11) and university extension. For the year's enrollment, data are given for categories 1, 2, 3, 4, 5, 7, 8, and 11, and additionally for: degrees and certificates awarded, both by degree and by department; distribution of cumulative grade-point averages for students who completed during the spring quarter; summer session enrollments; and instructional staff in teaching departments. Data are presented in tables, and no analysis is given. (MSE)

DEFINITIONS

UNDERGRADUATE STUDENTS

Regular -- Those who have met all requirements for admission to the University and who pursue programs which lead to an undergraduate degree.

Special -- Those of mature years who have not had the opportunity to complete a satisfactory high school program and who have not completed a substantial amount of college work and who by reason of special attainments may be prepared to undertake certain courses in the University toward a definite and limited objective.

Limited -- Those who hold a bachelor's degree but are not candidates for an advanced degree or those who do not hold a bachelor's degree but have completed a substantial amount of college work and who, by reason of special attainments, may be prepared to undertake certain courses in the University toward a definite and limited objective.

GRADUATE STUDENTS

Those who hold a bachelor's degree or its equivalent and are working toward a certificate, first professional degree or a higher degree.

Professional -- Those who are currently working toward a first professional degree (Juris Doctor, Master of Library Science, Master of Social Welfare, or Doctor of Optometry), or a certificate.

Master's -- Those who are currently working toward a master's degree (excluding first professional master's degrees).

Beginning Doctoral -- Those who are working toward the doctoral degree but have completed less than 36 quarter units at Berkeley in graduate status, do not have a master's degree, and have not been advanced to candidacy.

Advanced Doctoral -- Those who are working toward the doctoral degree and have completed 36 or more quarter units at Berkeley in graduate status, and/or have a master's degree, and/or have been advanced to candidacy.

NEW STUDENTS

Undergraduate -- Those who have never previously enrolled in a regular session (summer session excluded) at Berkeley.

Graduate -- Those who have never previously enrolled in a regular session (summer session excluded) in graduate status at Berkeley.

CONTINUING STUDENTS

A continuing student must be in attendance during the three regular quarters (Fall, Winter, and Spring). A student who misses any of these quarters must apply for readmission upon return. Attendance during the summer is not required for continuing status.

RETURNING STUDENTS

A returning student is any student who is returning after an absence during one or more of the three regular quarters (Fall, Winter, or Spring).

FULL-TIME STUDENTS

Undergraduate -- Those who carry 12 or more units in a given quarter.

Graduate -- Those who are progressing toward their degree/certificate objective at a rate which is 75% or more of a normal full-time rate as determined on an individual basis by their graduate advisers.

PART-TIME STUDENTS

Undergraduate -- Those who carry fewer than 12 units in a quarter.

Graduate -- Those who are progressing toward their degree/certificate objective at a rate which is less than 75% of a normal full-time rate as determined on an individual basis by their graduate adviser.

HOME LOCALITY

Permanent home address stated by the student at the time of admission.

NOTE:

The School of Law is operating on a semester system rather than a quarter system. All data in this report include Law Students.

Data in this report include the Extended University.

Data in this report for the Academic Year 1975-76 and for Fall 1976 are based on the number of students registered as of the end of the third week of classes for each quarter.
